

EXCAVATION “COMPETENT PERSON” SAFETY TRAINING

Thursday, October 24, 2024

WRWA Technology Center, 351 Water Way, Plover WI 54467

8:00 am – 3:00 pm

(6 Municipal Water or Wastewater Safety Credits, 6 General Septage)

This class was designed for water/wastewater, public works, engineers, building inspectors and contractor employees. Participants will be able to identify existing and predictable hazards in excavations and hazardous working conditions which are unsanitary or dangerous. This class will cover OSHA 29 CFR 1926 Subpart P Excavations and State requirements.

Employees who work in or around excavations should attend. Anyone approaching an excavation (regardless of who created the excavation) must have the training.

Attendees will receive a training manual, a copy of the regulation and the proper certification documentation.

This Class Will Cover

- ✓ Training Requirements
