

WRWA System Memberships

WRWA FACTS: WRWA represents over 85% of systems in Wisconsin serving populations under 10,000. WRWA provides training session to thousands of municipal & non-municipal employees each year, while making over 250 on-site technical assistance visits to systems each month. WRWA publishes a quarterly magazine. WRWA holds an annual Technical Conference & Outdoor Expo.

WRWA MEMBERSHIP BENEFITS: Unbiased information to your system personnel, councils & boards. On-site technical assistance regarding problems with your system. Equipment Loaner Program— An extensive inventory for use by members. Training sessions for system operators, board members, & clerks. Continuing Education Credits (CEC) with DNR approved. WRWA JOURNAL— a quarterly publication keeping your system informed. WRWA E-NEWS—a newsletter e-mailed weekly covering late breaking news. Annual Technical Conference—held each spring geared towards systems like yours, with water industry experts present from across the state. Outdoor Expo— Held each fall with product displays and demonstrations. WRWA WEB PAGE—Current events, templates, member listings, Face Book, contact information.
